The original online version of this article was revised to replace placeholder text in the Materials and methods section as follows:

This is an observational, retrospective cohort study in which a total of 201 patients who underwent surgery for acute cholecystitis between May 2019 and February 2023 in the General Surgery clinics of Balıkesir University Hospital were examined. The study was approved by Balıkesir

University Clinical Research Ethics Committee (Date: 22.11.2023; No: 2023/178).

The original article has been corrected.
